Dear Len

District Directory Information. This is to confirm my telephone call to let you know that I will serve another year as Rotary Friendship Exchange Chair in 2009-10. My understanding is that Friendship Exchange will come under the umbrella of Membership in 2009-2010 so this is directed to you. Jan and I will be away from Saturday 7th February until 5th May, so if there are any issues with this letter you might contact me as soon as practicable. Naturally there are some matters that I could attend to by email, as we will be picking up emails from time to time. I have highlighted new members in **green**. Of the names in the listing in the 2008-09 District Directory it will be noted that Dave Banks, David Nix, Steve Byles, Peter Lloyd and Jo Wilkin will not continue in 2009-10. Please note also Tony Morton's email that is incorrect in the current directory. I confirm my request that you endeavour to ensure that my information as chair is submitted to RI for inclusion in the **Rotary Friendship Exchange 2009-2010 District Chair Directory**. Unfortunately this past year I was not included until the second quarter update that was issued in November so much valuable time was lost. Thanks in advance for chasing this matter up.

Yours in Rotary

Stan Jackson
Chairman Rotary District 9650 Friendship Exchange Committee
