Dear fellow Rotarians:

I embarked on the road to Rotary in part because of my friend and mentor George Campbell, who taught me the importance of civic responsibility. After starting down that road, I encountered many other Rotarians walking the same path, who offered their help and made sure I kept moving in the right direction.

I am the person I am today because of Rotary. And to be a member of the Rotary family is to be a part of something much bigger than yourself. It means that you are part of a worldwide team; together, we have provided extraordinary service to the world.

We are closer than ever to achieving our promise of polio eradication. Through service projects, we have met the needs of local and global communities. We have developed strategic partnerships that allow us to work with like-minded organizations and achieve an even great impact.

Today, our world is depending on us to do even more. Now is the time to capitalize on our success and to catapult Rotary forward to be an even greater force for good in the world. To do this, we must work together. Remember that today is the first day of the rest of your life, and how you spend it is up to you.

I know that, together, we can accomplish great things this year as we continue the tradition of *Rotary Serving Humanity*.

Sincerely,

John F. Germ
2016-17 President, Rotary International

USE OF ROTARY NAME AND EMBLEM

The “Rotary” name and gearwheel emblem, including the emblems and logos of Rotary International and The Rotary Foundation programs and projects are known collectively as the Rotary Marks.

The word “Rotary” in connection with or in the name of an activity of a club or a group of clubs must relate directly to that club or group of clubs. The activity is not permitted to be related directly or indirectly to Rotary International. The word “International” is not to be used in connection with or in the name of the club.

Clubs and Districts are welcome to use the Rotary emblem, in association with your Club or District projects and are requested to name accordingly. Guidelines on the use of Rotary marks are provided in the Brand Centre at: **www.rotary.org**. The Voice and Visual Guidelines will assist.
